Extra-Curricular Activities

The Institution offers a good opportunity for the students to take part in a variety of extra-curricular activities such as dances, mono acting, playing musical instruments, enacting dramas etc.,

Students exhibit their talents in the cultural events arranged by the college every year. Selective performances are displayed in Annual Day.

Soft Skill Development Facilities

The Department of Training and Placement Cell is integral part of Sri Balaji Chockalingam Engineering College. It was set up with a view to facilitate the students to get the employment opportunities in the college campus while they pursue their graduation.

This department interacts with reputed organizations all over the country for arranging campus interviews for the placement of final year students.

It also enhances the soft-skill capability of the students through regular training programs. The department counsels the final year students for their higher studies and for getting projects from industries.

To coordinate the placement activities the college has a separate Placement cell Headed by Mr.V.Kandasamy.

The placement cell manages its activities collectively by the students and all head of departments. The Staff coordinators support in all the Training and Placement Cell activities.

They help to conducting programs like communication skill development, Personality development, Technical skill development, etc. Since the time of its inception, the members of the cell have been working on the training and development activities to equip the students to meet the requirements of the recruiting companies.

The Placement cell has adopted an effective communication system to keep the students informed about potential job opportunities and guide from time to time.

OBJECTIVES:

- To profile the students to meet the corporate expectation and place them in reputed companies based on the expected Job profiles of each student.
- To motivate students to develop their overall personality in terms of career planning, goal setting and re-skilling which will stand them in good stead even after getting the job.
- To encourage students aspire for higher studies and guiding them to take competitive exams such as CAT, GATE, TOEFL, GRE, GMAT AND IELTS
- To develop the current technical and practical knowledge of students.

TRAINING:

The training program starts after the completion of seventh semester classes. Special courses are offered by the training experts in various skills like

Soft Skill Training

General Aptitude,Personality Development,Communication Skill
Group Discussion andMock Interview

Technical Training

JAVA,EMBEDED,CCNA,DOT NET, CLOUD COMPUTING
AUTO CAD/CAM, LAB VIEW and PLC etc. are also offered.
